The Boy's and Girl's Club Instructions

(All Virtual)

- Follow the link to the volunteer registration/background check.

Link: https://www.flipcause.com/secure/event_step2/MTM4Mjky/143956

- While your background check is being processed, please share the reference link with 2 individuals to whom you are not related to. This can be a colleague, friend, coworker, etc.

Provided below is the form to share with your references of choice. Please ask your references to have this complete within 2-3 days of submitting your background check.

- **Mandatory Safety Training:** Upon opening the link, follow the instructions to register. After you register, our Director of Safeties and Facilities will receive a notification and give you access (Allow 2 business days for this to be completed). Upon logging into your personal BGCA.net account, you will need to click on the "Spillett University" tab and then "Spillett Leadership University" for training. This will direct you to the Spillett University training platform. Once here, you will be given video training options. Please search in the search icon (located in the top right corner) for the training video titled, "Child Sexual Abuse Prevention" and watch the 45-minute video.

Link: <https://www.mybgca.net/registration>

Once you have completed the video, you can print out your certificate and bring it to the boy's and girl's club office or email it to their volunteer coordinator at: rbroades@bgcbv.org.

- Email a copy of the certificate to me (mldickey@tamu.edu) and I will add you to the GroupMe where the Sign-Ups will be posted

Other Individual Volunteering Opportunities

There are tons of community volunteering opportunities out there!

In general, if an opportunity is **open to the public** and has no application **deadlines** or **special requirements** (like needing to speak a certain language or being part of a specific group), it will count for individual volunteering points in our society.

If you're ever unsure about whether something qualifies or just want to check, feel free to reach out to me—I'm here to help!

I really want you all to get involved in what you're passionate about, even if it's outside the society, and still earn points!

Some other organizations we would offer points for (but not limited to):

- Health for All
- Big Brothers Big Sisters of the Brazos Valley
- Scotty's House
- Aggieland Humane Society

Notes

- Dress code for volunteering opportunities is Pre-Med shirt and pants (or shorts if it is outside and/or hot), unless otherwise specified by the volunteering organization!
- Proof pictures for individual volunteering MAY NOT have any residents or kids in them (Take them at sign in, outside the building, etc.)
- Points: 2 points/hour of group volunteering, 1 point/hour of individual volunteering.
- Extra point for giving a ride to a volunteering! (1 point per person driven)

Any further questions, feel free to email me!

mldickey@tamu.edu

There will be many one-time volunteer opportunities as well which I will share as they come around, so stay tuned for those and get volunteering!!!

Extra Opportunities!

(These are not partnerships with the pre-med society or have certain limitations to volunteering access, so you won't earn points)

BCS Prenatal Clinic

The Prenatal Clinic's mission:
○ helping women have healthy babies! Volunteers are required to complete an application.

St. Joseph's

Job-like clinical volunteering in various departments within the hospital. An application must be filled out prior to the semester of interest. More information [here](#).
